PROFESSIONAL PROFILE.

Architectural graduate from IADA-UACJ with experience in construction documentation, BIM modeling (MEP), MEP drafting, and landscape design. Specialized in digitization, updates, and 3D visualization for architectural and residential projects, with advanced proficiency in CAD tools, rendering software, and technical coordination. Oriented toward developing innovative preliminary designs, precise construction detailing, and integrating sustainable and functional criteria tailored to urban and regional contexts.

EDUCATION.

Universidad Autónoma de Ciudad Juárez.
Bachelor's Degree in Architecture
2021 - 2026.
Thesis: Desert Convention Center.
2025 - 2026.

Colegio de Bachilleres del Estado de Chihuahua. Plantel No 5.
High School Diploma.
2018 - 2021.

LANGUAGES.

Spanish.	Native.
English.	Intermediate (B1).

SKILLS.

Adv.	AUTOCAD	2D Drawings

Adv.	MICROSOFT OFFICE.

- Topographic Surveying: Calculation of bearings, distances, and boundary mapping.
- Cadastral Management: Updating and digitizing cadastral documentation.
- Regulatory Compliance: Building codes and local zoning standard application.

WORK EXPERIENCE.

MAHERYA SUPERVISORY FIRM. | SITE SUPERVISION ARCHITECT. 2026 - 2026

- Conducted site verification visits to evaluate and assess the following project scopes:
  - Physical progress executed on site.
  - On-site labor and workmanship.
  - Material supply and procurement.
  - Construction quality and compliance with project specifications.
  - Verification of physical building execution against authorized construction drawings.
  - Maintenance and logging of the Site Inspection Logbook (Bitácora de Obra).
- Preparation of site progress reports using official supervision formats.

MC ESTUDIOS Y PROYECTOS | AUTOCAD DRAFTSMAN. 2026 - 2026

- Development and digitization of construction drawings, including structural criteria and detailed architectural plans for the firm's projects. Drafted architectural floor plans, building elevations, cross-sections, and interior elevations, as well as finishing schedules and landscaping plans.
- Specialized in 3D modeling and isometric representation, focusing on the visual integration of plumbing, sanitary, and gas systems. Developed detailed MEP section drawings for sanitary, hydraulic, gas, and electrical systems.
- Prepared executive MEP and electrical drawing sets, ensuring precise technical readability, correct symbology, and accurate graphic representation for site construction processes.
- Compiled comprehensive technical drawing booklets, while managing drawing revisions and updates.

INDEPENDENT DESIGNER | ARCHITECTURAL DESIGNER. 2024 - 2026

- Managed small-scale architectural and construction projects end-to-end, coordinating design from initial spatial concept through construction detailing.
- Executed on-site field surveys and technical digitization, achieving high dimensional precision for base plans.
- Produced high-fidelity 3D renderings and visual presentations to support design validation and formal deliverables.

IMAGEN DIAGNÓSTICA | ADMINISTRATIVE & CUSTOMER SERVICE ASSISTANT. 2024 - 2025

- Managed supply inventory through periodic audits to align stock levels with daily demand.
- Organized and archived files according to institutional regulations, reducing search times and streamlining internal information flow.
- Provided customer service, greeting and assisting visitors with a focus on service quality.

CVENDING S.A. DE C.V | OPERATIONS & LOGISTICS ASSISTANT. 2018 - 2024

- Managed supply procurement for ongoing operations, coordinating weekly orders to minimize inventory error margins.
- Maintained stock control across product categories, preventing stockouts during high-demand periods.
- Monitored purchase/sales logs and inventory flow, optimizing reconciliation processing times.
